Arab-Israeli Conflict Presentation (25 Points)

I. Each group will take 1 major event/turning point from the Arab-Israeli Conflict and:

1) Explain the invent. Answer the questions: what happened, when did it happen, who was involved?

2) Identify the causes. What events led up this event? Why did it happen?

3) Identify the results or outcomes of the event: What followed from this event? How did it change the situation in the Middle East?

4) Cite specific information from the source documents. Note that this is information that you may be using in writing your final exam Essay.

Grading Criteria:

1. Content (12 points): Do you answer all of the above questions in your presentation?

2. Citations (6 points): Do you cite at least one piece of information for the cause, the description and the results i.e. at least three citations.

3. Presentation quality (7 points): Do all members participate? Is the presentation clear and audible? Is the presentation conducted in logical fashion? Are the presenters knowledgeable and enthusiastic in their presentation? Are the presenters able to respond to questions?
